

# TRUSTING AN INCOMPREHENSIBLE GOD

IS GOD TOO BIG TO CARE? Job 21:7-15; 33-36

for **Children:**

Take a walk with your family and friends and play Spring Bingo (*more sheets available on the website*).

When you return home read Matthew 6:25-34. Discuss how God is great and powerful, that He knows what is going on with every person and everything around the world, and yet, He cares deeply and individually about you.

God watches over you at school, at play, and at home. He created you to have a relationship with Him. God wants you to include Him in your life every day.

## Weekly Memory Verse:

For the Lord takes pleasure in His people;  
He will glorify the lowly with salvation.

*Psalm 149:4*

for the **Mature** Christian:

for the **Growing** Christian:

While God is powerful and sovereign over all His creation, He does not remain distant or aloof to the individual lives of human beings.

God is grieved by human rebellion and sin. Read: Genesis 6:5-6; Psalm 78:40-42; Isaiah 54:6; Ephesians 4:30.

God is pleased and made joyful by human faithfulness and righteousness. Read: Romans 8:8; Colossians 1:9-10; 1 Thessalonians 4:1; Hebrews 13:15-16.

Finally, remind yourself of Jesus' parable of the lost sheep. Read: Matthew 18:12-14.

Elihu thought that God was too big to be affected by whether or not people lived a righteous or sinful life. But we know that God cares deeply how you live your life because He created and formed you for a holy relationship with Him. How will that influence your daily life?

## Weekly Affirmation:

*How I live today matters to God.*

Satan's accusation before Job's trials was that relationship with God just for the sake of relationship was not enough for human beings; they are in it only for the temporary benefits and rewards. When Job does not jettison his relationship with God after the loss of his children, possessions, and health, Satan is proved wrong.

God can see your heart and motives; so prayerfully consider these questions: What do I get from my relationship with You, God? Is relationship itself enough for me? If not, how can I get there?

## APRIL 2024 GROWTH GOALS
