NOT-EVERYDAY EVENTS THIS YEAR

In March I was invited to address over one hundred students in Tecmilenio University, where I teach. Usually they invite “outsiders” for this event. This surprised the student body and myself; that resulted in a stronger connection with the students. (I know it was God).

NOT-EVERYDAY EVENTS DURING 2025

Mid April and first week in June

I was able to visit my family and the church in Guanajuato, I taught a couple of classes there, one of them was to young people.

NOT-EVERYDAY EVENTS THIS YEAR

This is in Guanajuato, these drawings were painted by a missionary group from USA that I led back in the late 90's. Still there, still in an excellent state.

JUNE

Believe it or not, we celebrated
42 years since we graduated from
Teachers' College!

Some of my peers in the pics (and their
families), have been reached by the
Gospel; yes I am still sharing with more.
The three gentlemen in the picture
were our Professors back then.

ON MY WAY TO ENSENADA

July 29-31

At Confraternidad Nacional Cristiana
(National Mexican Christian Convention)

After more than 30 years, was able to see Yolanda, a great friend and a co-worker in the ministry in the 80's, so thankful to God for that time, she passed away a few months later, after beating Cancer, her body just gave up.

ENSENADA, BAJA CALIFORNIA, MEXICO

Enjoying a meal with members of the Guanajuato church, getting ready to attend the National Mexican Christian Convention.

**SINCE THEN, I HAVE BEEN APPOINTED THE
NATIONAL PRAYER COORDINATOR FOR THE
NATIONAL MEXICAN CHRISTIAN CONVENTION**

SUCH AN HONOR AND RESPONSIBILITY

JUST TWO DAYS AGO...

CBMC sent me to an event where we were challenged to keep sharing the Good News.

Little did I know, I was going to finally meet a sister from Cuba, Daylanis, we had been in contact for over a year! Neither of us knew we were going to see each other last weekend!

We made connections with people from other states in Mexico, thank God for all He allows to do for His Kingdom.

Chris Wright was the speaker.

SPECIFIC CHURCH IN “JARDINES DE SAN RAFAEL” THANKSGIVING AND PRAYER REQUESTS

Our sister Monse retired after many years of working as a Nurse, but she is not one to “rest”, so now she has started a Podiatry Clinic, she asks for God’s guidance.

Jonathan, son of our sister Martha, and our church electrician, was electrocuted while working (not at the church), in July, thank God he is doing well, they all know he is a true walking miracle.

Our church building was broken into, so we are making it as secure as possible and slowly replacing things they took, thank God no one was there, so we are all fine.

WE KEEP:

Evangelizing

Discipling

Teaching

Training

Speaking

Counseling

Praying

Helping wherever a need comes up

Studying

Ministering

Thank God, a normal planned week is:

Sunday: Church meetings and counseling.

Monday: Teach at University, Lead a discipleship group for experienced leaders.

Tuesday: Teach at University, Lead a discipleship for new leaders.

Wednesday: Teach at University, church meeting, then with my sister Carmen, lead a women's discipleship group and I finish the day with a 1 on 1 discipleship meeting.

Thursday: Teach at University, Training of new disciplers.

Friday: Teach at University all day, (I finish at 8:25 pm).

Saturday: Preparation for next week. 😊

Thank God, a normal day is:

It begins with Bible reading in social media, and ends with prayer in social media.

Throughout the day, we receive messages/phone calls asking us to pray for a need and/or requesting a visit. Also, on an average of 2 times a day, people call/message asking for the explanation of a Bible verse or a Bible teaching and counseling.

WE ARE HUMBLLED BY THIS, AND SO THANKFUL

THANK YOU SO MUCH FOR ALL YOU DO FOR US!

“Every time I think of you, I thank my God.
And whenever I mention you in my prayers, it makes me happy.”

Philippians 1:3,4 (CEV)

¡GRACIAS!
